

Hotbox 3

Make your space your own.

When you are on-the-go in-between meetings, spending five minutes just to find the pen at the bottom of your bag is not ideal. To be in the right headspace for your workday, you need something that is adaptable, holding everything in one place.

That is why we created Hotbox 3. With even more storage possibility, Hotbox 3 moulds to your workstyle. With separate compartments for iPads, notebooks, phones, pens and business cards, Hotbox 3 organises all the tools you need to have a successful workday.

Available in a number of Camira Rivet colours and made from REPREEVE, a recycled, tactile polyester, Hotbox 3 has all the answers to smart, agile working.
